Applicant Address:

Phone No (daytime): Mobile No:

Email:

STORAGE UNIT **CONTAINER** **SKIP BIN** **Please tick and provide details below**

Name of Supplier:

Supplier Address:

Unit/Bin Size (Dimensions and cubic meter volume required):

Date/period Required: From (date) To (date)

Plan of where container to be placed (include street and cross street, parking restrictions etc.)

Full Address of proposed location:

Note: Container must be in a legal parking space

CONDITIONS

Skip bins / Containers / Storage Units may be placed upon the roadway under the following conditions:

1. Must only be left by companies or individuals who hold a current approval/receipt from Council.
2. Must produce approval/receipt upon request by a Ranger or Council Officer
3. Approval is not transferable for day(s) or location and approval is required for each bin / container / unit
4. The Applicant is responsible for ensuring that public liability insurance is in place to a minimum cover of \$20 million.
5. Must have a minimum vehicle access of 3 meters clearance on the roadway for vehicles to pass safely (e.g. container size must be appropriate for the location and size/width of the road) and must not obstruct vehicular traffic entering or leaving premises or interfere with the sight lines of, or visibility to, drivers/vehicles.
6. Must be visible (e.g. marking plates, reflective tape, flashing lights) and provide appropriate pedestrian access.
7. Must be placed parallel to the road, must comply with the NSW Road Rules 2014 and must not be placed where parking is prohibited for motor vehicles.
8. Must not restrict access to any service that may be contained in the road reserve. The supplier should contact the relevant utility company if they are unsure whether the placement of the container will cause any risk of injury to person or property or inconvenience to the public.
9. Must not be used for the disposal or storage of putrescible, inflammable or explosive materials. If containers have bungs, all bungs must be fitted and capable of preventing the escape of material.
10. Must be managed and secured by the applicant to prohibit the escape of waste material to the surrounding area.
11. Applicants shall be responsible for any incidents or damage resulting from poor placement of containers or spilt debris and agree that the area will be left in a clean and tidy condition with any/all spillage removed from the area.
12. Applicants shall be responsible and accept responsibility for any damages or injury resulting from debris from the building waste container during transport.
13. Containers shall bear the name and telephone number of the supplier.
14. Council reserves the right to rescind approval and/or order the removal of any container within 24 hours notice despite any approval granted.
15. Council may impose a penalty or fine applicants or companies if a bin/container/unit causes a nuisance; does not comply with the above conditions; and/or does not have a valid receipt for paid fee.

DECLARATION

I declare the information supplied is true and correct and agree to comply with all conditions listed above. I understand it is my responsibility to ensure the container is covered by Public Liability Insurance to a minimum cover of \$20 million dollars.
